### Life & Style Exclusive: All the Details Inside Kourtney Kardashian's Second Baby Shower!

**Kourtney Kardashian** sure is bringing one lucky baby girl into the world!

Family and friends threw Kourtney another lush baby shower, this one on May 12. **Kris Jenner**, the 33-year-old reality star's mom, hosted the event at her home in Hidden Hills, Calif. with help from party planner Sharon Sacks. Now multiple sources and eyewitnesses dish to *Life & Style* about the exclusive bash.

"Kourtney's shower was so nice!" an eyewitness tells *Life & Style*. "Her mom and sisters were there, of course. They talked, laughed, and played games. There was a bar and lots of different types of foods and desserts, including sushi and little sandwiches. She seemed happy and excited earlier in the day before the shower. Her son, Mason, was there, too."

"Lehr & Black did Kourtney's shower invitations," a source tells *Life & Style*. "They were beautiful."

Keeping with the girlie theme (Kourtney's having a daughter this time), pinks were certainly the color of the occasion.

"Flowers were blush-pink peonies, pink Dutch hydrangeas and garden sweet peas in pink-and-fuchsia containers," the eyewitness reveals to *Life & Style*. "The theme was all pink and whites. Petals LA did the floral arrangements."

"There were about 90 people at 10 tables," a second source tells *Life & Style*.

One person noticeably absent from the shower was Kourtney's beau, **Scott Disick**, who *Life & Style* reported was present for his girlfriend's first baby shower, thrown by his family at the Stonewalls Restaurant at The Woods at Cherry Creek in Riverhead, N.Y.,

on April 29. This time, Scott was in Atlantic City, N.J., where he had to host at **The Pool at Harrah's Resort later that evening.**

The shower began a little after 11:30 a.m., with Kourtney making her grand entrance just short of noon -- and her baby girl is certainly going to be spoiled!

"Kourtney got lots of gifts from Bel Bambini," the eyewitness tells *Life & Style*.

The brunette beauty registered with the store and asked for items, including a \$349 video monitor set, car seat, embroidered bibs and teething toys.

"Multiple women arrived bearing numerous gifts for Kourtney's new baby," a second eyewitness says. "At one point, a Toyota van drove up to the property and numerous people rushed over to the car to help a blond female carry a huge gift, in black-and-white wrapping paper and a big red bow, into the house."

But no one left empty-handed.

"Kourtney and her family had gift bags for all the guests," the first eyewitness says.

As *Life & Style* first reported, Kourtney and Scott, who already have a 2-year-old son, Mason, are [expecting their first girl around July 1](#).
