## Inside Kourtney's Baby Shower

### Where Was Scott?

Never fear. Kourtney's baby-daddy was just bringing home the bacon! Scott Disick, 29, missed the fete to host the Pool After Dark party at Harrah's Resort in Atlantic City. "He was just happy that I had a perfect shower," Kourtney tells *Us*. "He always asks for pictures when he's away, but the day had so much going on, I don't know if I sent any!"
